## **RESEARCH PROPOSAL/REQUEST FOR SCIENTIFIC ACCESS TO SPECIMENS WITHIN THE GREAT PLAINS DINOSAUR MUSEUM & FIELD STATION**

The Great Plains Dinosaur Museum & Field Station and the Judith River Foundation welcome scientific study of specimens and materials to qualified researchers. Please address all research inquiries to the GPDM's Director of Paleontology, Cary Woodruff.

To apply for scientific access to any GPDM specimens, please include the following information in your proposal:

- 1) Proposed Project Name
- 2) Principle Investigator
- 3) Description/Scope of Research
- 4) Duration of Project (time required)
- 5) GPDM Specimen/Material Required
- 6) Any Additional Requirements for Project Completion

Please submit proposals to: Judith River Foundation, Box 170, Malta, MT 59538; or email to [dinosaur@itstriangle.com](mailto:dinosaur@itstriangle.com). Please allow 2-4 weeks for response.
